

Chef JJ's Announces A Private Dining Experience Giveaway

There is no better way to kick off the grilling season in Indianapolis than with a private dining experience at Chef JJ's and right now there is an opportunity to win a private dining experience for 10 people. The greater Indianapolis area is invited to enter into the latest contest sponsored by Chef JJ's.

Enjoy a spectacular evening at Chef JJ's Downtown in a private space with a dedicated service team and personal chef. Their team will work with the lucky winner to create a customized 5 course dinner that will be grilled live on the Big Green Egg.

The contest is being held to bring attention to Chef JJ's unique private dining options available to residents and companies in the greater Indianapolis area - those interested can enter the contest on Chef JJ's [sign up page](#). There is no purchase necessary to enter. The deadline to enter is April 26, 2017.

When asked about the contest, Chef JJ Boston, Owner, had this to say about why people should enter: "This is a chance for people to enjoy a unique private dining experience. From our service team, our chefs, to our food, which is all prepared on the Big Green Egg, they can expect a very memorable experience."

For companies, Chef JJ's private dining offers a chance to truly accomplish business in a quiet and upscale environment with top notch service and for Indianapolis residents Chef JJ's offers a great place to host your own private event.

The winner will be chosen randomly and will be announced on April 28, 2017 on Chef JJ's Facebook page and via email. Those who are interested can sign up for the contest via the [contest page](#). Deadline for entry is April, 26, 2017.

Founded in 2005, Chef JJ's is a unique, personal and hands-on culinary experience with a focus on the Big Green Egg®, corporate team building, private events and grilling classes.
